Re: U.S. v. Baez-Acevedo
1:20-cr-00582-PAC

Dear Judge Crotty,

We request a further adjournment of Mr. Baez-Acevedo's date to self-surrender to the Bureau of Prisons from January 5, 2024, to March 5, 2024. On July 27, 2023, the Court granted an adjournment of the surrender date to early January 2024 because of Mr. Baez-Acevedo's continuing medical issues.

As we have demonstrated in the past, there is an ongoing need for Mr. Baez-Acevedo to continue to receive medical care from his surgeon, Dr. S. Robert Rozbruch (see attached letter dated December 3, 2023). As Dr. Rozbruch noted in that letter:

Mr. Acevedo is scheduled to undergo orthopedic surgery on December 13, 2023. For safety of the procedure, it couldn't take place sooner. He will be limited by pain and mobility and will use a walker or wheelchair to ambulate. He will wean from the walker or wheelchair over the course of eight to ten weeks if tolerated. He will not be permitted to perform any unnecessary activities for eight to ten weeks, and may resume activities as tolerated thereafter.
